

Paul Chilson

Published Author and Motivational Speaker

Children's Groups

Christian children's book author, and speaker about God's love, Paul is excited to bring his heart and message to your children's group. Through stories, humor, and science, they'll get a fresh understanding for how much they are loved by God.

The Message

God Created Everything

And has left His fingerprints everywhere, from the balancing of the cosmological constants, to the micro-machines inside our cells.

I love Cheese Puffs!

But, I love my family more. Understanding God's love.

You are amazing!

You are made by God, after all. He loves you, just the way you are and longs for a real relationship with you.
